## HEARTBURN TEA

Are you breathing fire — but don't happen to be a dragon? Organic Heartburn Tea is a soothing mellow mint blend of marshmallow root, lemon balm, chamomile and other like-minded herbs traditionally used to relieve occasional heartburn, acid reflux and indigestion\*. Super settling after meals, Heartburn Tea is formulated to help anyone with a stomach! Yes, that means you can safely brew a cup for your kids, grandma, a pregnant friend — and what the heck, maybe dad gets a cup too! Because feeling the burn is no fun. Even if you ARE a dragon.

### HERBAL TEA HOW-TO

Pour boiling water over one tea bag. Steep 5-10 minutes. Sip 1-4 cups per day, or as recommended by your healthcare provider.

### TEAM WORK MAKES THE DREAM WORK

Each herb in this tea was intentionally chosen because of how it works synergistically with the others in the formulation, amplifying their efficacy like a little symphony. It's like the colleagues who hang out together after work. They like each other — and that makes their job seamless.
