

WELCOME TO THE LILY TRADITION

Lily of the Desert has been a leading producer of aloe vera since 1971.

As the largest grower, processor and distributor of aloe vera products, we work hard to provide our customers with the purest aloe in the marketplace. Our market-leading innovations and patent-pending processes allow us to offer the best possible products for our customers.

Lily of the Desert Aloe Vera Benefits*

- Contains full range of valuable aloe polysaccharides
- Clinically proven to increase absorption of other nutrients
- Helps sustain and promote healthy regularity
- Helps support a healthy digestive system
- Helps maintain stomach pH balance

IMPORTANT CONSUMER NOTICE:

This product is a natural product; therefore, the color may change slightly due to seasonal variations without affecting purity, efficacy or quality.

ABOUT
Aloesorb

ALCOSORB™, naturally occurring high molecular weight aloe polysaccharides that have been isolated through a patent-pending process and infused back into our aloe juices. Lily has completed a series of clinical studies on its own aloe juice with Alcosorb™ and these studies show:

- Improved absorption of nutrients
- Supported healthy immune system
- Enhanced antioxidant support
- Reduced toxic nitrate levels

Lily of the Desert products with Alcosorb™ show an overall improvement in health benefits.
