

GLUTEN FREE

NON-GMO

Suggested Use: After brushing teeth or using mouthwash, chew or suck 1 tablet once or twice daily, or as recommended by your healthcare provider.*

CAUTION: As with any dietary supplement, you should consult your healthcare provider before use, especially if pregnant, nursing, have a medical condition, taking medications, or have known adverse reactions or allergies.

ADVANCED ORAL CARE

Invasive oral bacteria are often responsible for common problems with teeth and gums and even ear, nose, and throat complaints. NatureWise Oral Health Probiotics is intelligently formulated with 12 targeted strains backed by research, including BLIS K12 & BLIS M18, to help protect against occasional bad breath and boost your natural immune defenses for optimal dental and upper respiratory health.*
