

Kaprex® provides a safer option for effective joint relief. This proprietary combination of selected plant components influences kinase signaling and the formation of certain substances, such as PGE₂, that are associated with minor pain. Clinical testing suggests that Kaprex may offer a high degree of predicted cardiovascular, gastric, renal, and liver safety.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take one softgel two times daily with food or as directed by your healthcare practitioner.

CAUTION: Do not use if pregnant or nursing, or taking anticoagulants. If taking other medication, consult your healthcare practitioner before use. Keep out of the reach of children.

Formulated to Exclude: Wheat, gluten, dairy products, nuts, tree nuts, fish, shellfish, artificial sweeteners, and preservatives. See Allergen Statement. ♦
