

DIETARY SUPPLEMENT

PAN-8-SUPREME is a scientifically-designed dietary supplement containing digestive enzymes of the highest purity and potency. The freeze-dried glands are centrifuged to remove the low and very low density lipoproteins. The enzymes are preserved in a base of glycerine to prevent denaturation in the gastrointestinal tract and insure maximal penetration to the proper site of delivery.

DIRECTIONS

Take one capsule after meals, or as directed by a physician.

This product has not been evaluated by the FDA.
