The Maximin™ daily supplement program provides key vitamins and minerals that your active lifestyle demands. Men and women who lead vigorous and demanding schedules or who participate in high levels of physical activity may have an increased need for vitamins and minerals. Maximin™ provides convenient, take-anywhere packets designed to help you stay at peak performance all day.

Actual Size

B-COMPLEX
B Vitamins help convert food into cellular energy.[†] B vitamins also help support nervous system function.[†]

VITAMIN C
Helps support the immune system.[†] Vitamin C also provides antioxidant support and helps iron get absorbed in the body.[†]

VITAMIN E
Antioxidant and essential nutrient![†] Vitamin E is an antioxidant and essential nutrient for many cells, including heart muscle cells.[†]

CALCIUM WITH VITAMIN D₃
Helps support strong bones![†] Adequate calcium and vitamin D throughout life, as part of a well-balanced diet, may reduce the risk of osteoporosis.

MULTIVITAMIN/MINERAL
A supplement providing essential vitamins and minerals for daily nutritional support of the body.[†]
