

A DIETARY SUPPLEMENT

VITAMIN C (from Tapioca) is a dietary supplement containing a highly purified source of ascorbic acid, comparable to reagent grade vitamin C. This hypoallergenic supplement is especially designed for those individuals with extreme food sensitivities who are not able to tolerate other less pure forms of ascorbic acid.

D I R E C T I O N S

Take 1/2 teaspoon in water or desired beverage, or as directed by a physician.
This product contains absolutely no traces of corn antigens, and is hypoallergenic. This product contains no diluents, preservatives, binders, or excipients to ensure maximal tolerance and absorption.
