

Lipotain® is a powerful, natural formula designed to maintain healthy blood lipid levels by supplying 1000 mg of niacin as inositol hexanicotinate per serving. This unique, sustained-release form of niacin is effective without the uncomfortable adverse effects associated with conventional niacin, such as flushing. Lipotain also features a standardized extract of guggul resin, which also supports healthy blood lipid levels, and complements the activities of inositol hexanicotinate.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take two tablets two times daily or as directed by your healthcare practitioner.

STORAGE: Keep tightly closed in a cool, dry place.

CAUTION: If pregnant or nursing, or taking medication consult your healthcare practitioner before use.

Formulated to Exclude: Wheat, gluten, soy, animal or dairy products, nuts, tree nuts, fish, crustacean shellfish, colors, artificial sweeteners, and preservatives.
