CHAGA

THE MUSHROOM OF YOUTH.

Chaga can help promote healthy skin by warding off free radical damage and supporting a youthful radiance. We love Om Chaga capsules in the evening to help supercharge our beauty sleep.[‡]

WE GROW OUR OM.

We grow a diverse range of mushroom species at our indoor farm in California and capture the complete nutritional value of the growing cycle. Whole food mushrooms are important because they provide a full spectrum of active compounds to support optimal health.[‡]
