

SUGGESTED USE :

As a dietary supplement take 1 serving (3) capsules once daily with food to guard and protect vital organs during harsh times of Gym Life.

Optional: Xtreme athletes using a series or variety of Xtreme oral and/or liquid supplements may want to take an additional serving with food daily for extra protection!

Note: SAFE CYCLE™ may also be used OFF CYCLE as a once a day Organ Support & Protection supplement for those living that around the clock Gym Life.

WARNING: Do not exceed the recommended dose listed. Do not use if pregnant or lactating. Please consult your physician before using this product or starting any exercise program. Do not use if the seal on cap is broken. Keep this bottle tightly closed in a cool, dry place, away from moisture.
