

DIRECTIONS FOR BEGINNERS:

Mix 1 scoop with 12-24 ounces of purified water, or 10-16 ounces of your favorite nut milk, coconut milk, seed milk, or smoothie daily on an empty stomach. Best if taken in the morning. Shake or stir until dissolved...then drink. Add fresh lemon juice when drinking with water to enhance flavor.

DIRECTIONS FOR MAXIMUM VITALITY:

Same as above just take twice per day at least 30 minutes before meals.

"For decades our soils have been sprayed with chemicals and over-farmed. As a result our food is roughly 85% deficient in nutrients. Prepared in just seconds, GREEN 85 delivers highly concentrated plant sources such as Vitamin D3, A, Zinc and Iodine to your body with zero chemicals. It is the ultimate detox & immune boosting system."
