

Labrada® Garcinia Cambogia with Super CitriMax® HCA is a plant-based fat loss aid. Studies suggest that HCA may promote healthy fat loss, inhibit body fat formation, and help suppress appetite.*

As a part of a healthy diet and exercise program, HCA may help:

- **Support healthy weight loss***
- **Curb appetite and assist with dieting***
- **Boost fat burning during exercise and enhances glycogen synthesis.***

Recommended Use: Take 2 capsules three times per day, 30 – 120 minutes before each meal.

Do not exceed recommended serving.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

SuperCitriMax® is a registered trademark of InterHealth N.I.

WARNING: Do not use if pregnant, nursing, under the age of 18 or taking prescription or over-the-counter medications. Consult your healthcare practitioner prior to use. Immediately discontinue use if you experience any adverse reactions. Keep out of reach of children. Protect from heat, light, or moisture. Store at 59-68° F or 15 – 30° C.
