Almost unknown in America, horse chestnut extract is a staple of European herbalism. Horse chestnut is rich in saponins and flavones, which modern research has shown help support the normal integrity of the vascular system and connective tissue. Planetary Herbals **FULL SPECTRUM[™] HORSE CHESTNUT** delivers a minimum of 20% aescin, the primary constituent in horse chestnut for ensuring potency.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
