Suggested Use: 1 tablet twice daily.

WARNING: Not for use by women who are pregnant, may become pregnant, or breastfeeding.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Andrographis paniculata is an herb commonly used in China, India and other countries in sub-tropical and Southeast Asia. Both the fresh and dried leaves, as well as the fresh juice of the whole plant, have been used in a variety of cultures. In traditional Chinese herbalism, andrographis is used to support healthy digestive, cardiovascular, and urinary systems. In Sweden, andrographis has been used for more than 10 years as a primary herb for the winter season.*
