

- + replenishes collagen*
- + fights the effects of aging*
- + revitalizes skin, hair & nails*
- + supports tendons & ligaments*

Collagen is the most abundant protein in the body and helps give structure to your skin, hair and nails. As you get older, your body's natural ability to produce collagen will decrease over time - leading to visible signs of aging.

Youtheory® Collagen Powder is designed to help counteract age-related collagen loss.* Supplying 6,000 mg of hydrolyzed collagen per serving, this convenient and easy-to-use product helps replenish essential beauty proteins, while delivering powerful health benefits.* This formula is enhanced with Vitamin C to aid internal collagen production and Biotin to support health & beauty factors.*
