

Directions: Shake gently before use. Take up to four (4) DROPS daily or as directed by a health-care practitioner. Best taken sublingually or directly onto your tongue. Drops may also be placed into juice or water.

Warning: Individuals taking medication, children and pregnant or lactating women should consult their healthcare practitioner prior to use. When taking high levels of Vitamin B12, track blood levels. Do not use if tamper seal is damaged.

Storage: Keep tightly closed. Refrigerate for optimal freshness. May be kept in a cool, dry place away from direct sunlight. Keep out of reach of children.

Formulated to Exclude:

Alcohol, fillers, wheat, gluten, corn, yeast, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial preservatives, colors and sweeteners.

 **MecobalActive[®]**
The active form of B₁₂

Methylcobalamin
BIOLOGICALLY ACTIVE FORM

Patented. Exceptional purity; no harmful solvents are used in production of this product.

Adenosylcobalamin
MITOCHONDRIAL FORM
Considered an active co-enzyme form of B12 - utilized directly in B12-dependent enzyme reactions in the body.*

Hydroxocobalamin
PROTECTOR FORM
Readily converts to methylcobalamin and has a unique role of supporting detoxification processes.*

BioActive B12 is a high quality vegan vitamin B12 complex utilizing three bio-available forms. These forms require no conversion in the liver in order to be available for use by your cells. As a sublingual supplement, BioActive B12 provides maximum absorption with a mild taste that is easy on the palate.*

CONCENTRATED FORMULA
