More Powerful, More Effective

Turmeric has been highly regarded for centuries. But to get the most from this amazing botanical, you need standardized levels of compounds called curcuminoids. Anything less is simply a spice.

Fiber Coated CurcuBeads™

Compared to standard turmeric powder, Turmeric 50X delivers up to 50 times the levels of curcuminoids[^] in unique, easily dispersed CurcuBeads. You get more benefits in every capsule!

Contains No Pepper

We have chosen to not use black pepper or piperine because it interacts with many prescription drugs. What you really want is a high-quality, non-GMO turmeric—just like you find in Turmeric 50X.

WHY TURMERIC 50X?

- Up to 50 times stronger than plain turmeric[^]
- Optimal dispersion with fiber coated CurcuBeads™
 - Full spectrum 95% curcuminoids in every serving
