IS YOUR TUMMY NOT FEELING QUITE RIGHT?

For centuries, people have turned to *Mentha piperita*, better known as peppermint, for relief. Along with its great taste, peppermint oil may assist with common, occasional digestive complaints including nausea, bloating, and stomach upset.★

We specially designed each all-natural, individually wrapped drop to deliver a potent dose of premium peppermint oil. Be sure to take plenty of these great-tasting drops with you wherever you go - your tummy is sure to thank you!

SUGGESTED USE:

- Adults, take up to 12 drops per day, or as directed by your physician.
- Parents, keep out of reach of children. This is not a candy.
- Medical guidelines recommend that you discuss this and all dietary supplements with your physician before use.
