

DIRECTIONS: As a dietary supplement, adults take 2 capsules once daily.

WARNINGS: KEEP OUT OF REACH OF CHILDREN. Do not use if pregnant or nursing. Not intended for use by persons under the age of 18. Consult a health care practitioner if you have benign prostate hypertrophy and/or prostate cancer. Consult a health care practitioner prior to use if you have been diagnosed with hypogonadal sexual disorder, sexual dysfunction or erectile dysfunction, or, if you suffer from any psychological disorder and/or condition such as frequent anxiety or depression. If symptoms persist or worsen, consult a health care practitioner. To exclude the diagnosis of a serious cause of hormonal imbalance, consult a health care practitioner prior to use. If you are taking medications or natural health products, consult a health care practitioner prior to use. If you are attempting to conceive, consult a health care practitioner prior to use. If you have a liver disorder or symptoms of low estrogen (such as joint pain, mood changes, changes in libido, hot flashes, night sweats, vaginal dryness or irregular menstruations), consult a healthcare practitioner prior to use. If you develop liver-related symptoms (e.g. yellowing of the eyes and/or skin, dark urine, abdominal pain, jaundice) or symptoms of low estrogen, discontinue use and consult a health care practitioner. If you have milk allergy, do not consume this product. Consumption with alcohol, other drugs or natural health products with sedative properties is not recommended. If you are taking prescription medication, consult a healthcare practitioner prior to use as resveratrol may alter the effectiveness of these medications. Do not use if the inner safety seal on this package has been broken. Store in a cool, dry place.
