

Suggested Usage: Take 1 softgel 2 times daily with food as needed.

Elderberry Herbal Immunity is an herbal combination formulated for the support of a healthy immune system: This botanical formula has garlic extract, which has been used for centuries to promote overall wellness.* We've also included elderberry, olive leaf extract and oregano oil to complete this comprehensive formula. ImmunEnhancer™, a non-digestible soluble fiber from larch, has also been included as a prebiotic supplement for the support of healthy intestinal flora - a key component of normal immune function.*

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children. Natural color variation may occur in this product.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
