

Suggested Usage: Take 2 capsules 1 to 3 times daily. Elderberry (*Sambucus nigra*) is a multipurpose fruit used widely throughout Europe as a tonic to maintain health and well-being.* More recently, elderberry has been recognized for its high nutritive value, especially for its potent naturally occurring polyphenols and anthocyanins. The unique process used to make the juice concentrate in ElderBlend helps to preserve the bioactive polyphenols and anthocyanins native to elderberry. Sunfiber®, a prebiotic fiber, is included to replace the fiber lost during the juicing process. **Caution:** For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children. Natural color variation may occur in this product.
