L-PHENYLALANINE

AN ESSENTIAL AMINO ACID*

500 MG • 100 TABLETS

Supplement Facts

Serving Size 2 Tablets

Servings Per Container 50

	Amount Per Serving	%DV
Calcium	99 mg	10%
L-Phenylalanine	1 g	†

†Daily Value not established.

Other ingredients: dibasic calcium phosphate, stearic acid, silica, modified cellulose gum, and magnesium stearate.

L-Phenylalanine, an essential amino acid, is a precursor of the amino acid tyrosine and a whole series of neurotransmitters and hormones. Phenylalanine is first converted to tyrosine, which becomes L-dopa, which converts to norepinephrine, a key neurotransmitter and an adrenal hormone. L-Phenylalanine is also a direct precursor of PEA (phenylethylamine), another important neurotransmitter.*

Suggested Use: 1 to 2 tablets daily.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

WARNING: Contains phenylalanine. Not to be used by phenylketonurics, women who are pregnant, may become pregnant, or breastfeeding, or with antidepressant drugs such as MAOIs or SSRIs. If you have chronic high blood pressure, take after meals and/or consult your health care professional.

Suitable for vegetarians and **HYPOALLERGENIC:** contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
