DIETARY SUPPLEMENT

DLPA

DL-PHENYLALANINE
SUPPORTS AN ALERT STATE*
375 MG • 120 TABLETS

Supplement Facts

Serving Size 2 Tablets

Servings Per Container 60

Amount Per Serving		%DV
Calcium (as dibasic calcium phosphate)	87 mg	7%
DL-Phenylalanine	750 mg	†

†Daily Value not established.

Other ingredients: dibasic calcium phosphate, sorbitol, stearic acid, magnesium stearate, silica, and modified cellulose gum.

Suggested Use: 1 to 2 tablets 1 to 2 times daily.

WARNING: Contains phenylalanine. Not to be used by phenylketonurics, women who are pregnant, may become pregnant, or breastfeeding, or with antidepressant drugs such as MAOIs or SSRIs. If you have chronic high blood pressure, take after meals and/or consult your health care professional.

DL-Phenylalanine, or DLPA, may support healthy levels of endorphins and enkephalins, compounds naturally produced by the body that have a positive effect on comfort levels. Research suggests that DLPA helps regulate the enzyme action the body uses to break these compounds down, which may extend their use by the body. L-Phenylalanine is also a precursor to the mood-related neurotransmitter dopamine.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
