

Directions: As a dietary supplement, take one tablespoon (15 mL) daily or as directed by a healthcare practitioner. Can also be used as a good source of calcium and magnesium in baked goods.

Bluebonnet's Liquid Calcium Magnesium Citrate Plus Vitamin D3 contains calcium in a chelate of calcium citrate, as well as magnesium in a chelate of magnesium citrate and magnesium aspartate in a naturally delicious blueberry flavor. Plus, this formula contains vitamin D3 (cholecalciferol) from natural lanolin. Available in an easy-to-swallow liquid form for maximum assimilation and absorption.

Shake well before serving.
Refrigerate after opening.
