Sip Right 4 Type A

Dr. Peter D'Adamo masterfully blended this natural botanic formula specifically for people with Type A blood. This tea combines the famed properties of Green Tea with the subtle lemony accent of rosehips. Green tea's characteristic astringency is balanced by soothing licorice. Spicy notes of ginger with a fresh tropical pineapple finish meet the tart yet fruity flavor of Hawthorn berries.

Brewing Instructions

Pour boiling water over one tea sachet and infuse for two to four minutes.
