

Contains up to 72 naturally occurring trace minerals and elements from prehistoric plant deposits.

Minerals are chemical elements necessary for the health and maintenance of bodily functions such as the formation of blood, bones, teeth, and other tissues and contribute to the regulation of body fluids.[†]

Potassium plays a role in the everyday functions of muscle and nerve tissues.[†]

POWER MINERALS Plus K provides Chelated Colloidal Minerals; fine mineral particles that are evenly dispensed throughout a liquid suspension (colloidal) and are firmly attached (chelated) to other organic molecules in the formula to ensure maximum absorption through the digestive system. **Power Minerals Plus K** is a delicious, easy way to help your daily intake of these nutrients.[†]

DIRECTIONS: Take 2 tablespoons daily. May be mixed with water or any other beverage, if desired.

CAUTION: Consult your physician prior to taking this product if you are pregnant, nursing, or have any pre-existing medical conditions.

NOTE: The color and taste of this product may vary due to its natural ingredients and/or seasonal changes.

- Keep out of the reach of children
- Store in a cool, dry place
- Refrigerate after opening
- Do not use if seal is broken
