

Suggested Use: Children 4 years and older take 1/2 teaspoon (2.5 mL) with food. Consult your pediatrician before giving to children under 4 years of age. Best when taken as directed by a qualified healthcare professional.

Warnings: Keep out of reach of children. Those taking prescription medications (e.g., blood thinners), anticipating surgery, as well as those with a physician-diagnosed medical condition should consult with a pediatrician, pharmacist, naturopath or other qualified healthcare professional prior to taking dietary supplements.

Note: Oxidation of liquid fish oil may occur when exposed to air, light, and heat. Natural color variations may occur overtime.

Sealed for your protection. Do not use if seal is missing or broken. Best stored at controlled room temperature 20°C to 25°C (68°F to 77°F). To reduce oxidation during storage, refrigerate after opening and use within 90 days.
