

Suggested Use: Children 2 years and older take 1/2 teaspoon (2.5 ml) with food. Consult your pediatrician before giving to children under 2 years of age. Best when taken as directed by a qualified healthcare professional.

Warnings: Keep out of reach of children. Those taking prescription medications (e.g., blood thinners) as well as those with a physician-diagnosed medical condition should consult with a pediatrician, pharmacist, naturopath or other qualified healthcare professional prior to taking dietary supplements. **Natural color variations may occur.**

Sealed for your protection. Do not use if seal is missing or broken. Best stored at controlled room temperature 20°C to 25°C (68°F to 77°F). Refrigerate after opening.
