

Suggested Use: Take one tablet upon waking and one in the afternoon. Do not exceed four tablets a day.

Stay consistent with the regimen until you finish the bottle. For best results, combine with a sensible diet low in carbohydrates and regular exercise.

Exercise may simply be walking or jogging 30 minutes per day.

You should consult your physician before starting any weight loss program. While no known side effects for Hoodia Gordonii have been reported by the scientific community, if you experience any reaction to this product you should immediately discontinue its usage.

Store at 60° to 85°F. Protect from heat, light & moisture. Do not use if seal is broken.
