

Meta Lipoate® 300 features an enhanced level of high quality alpha-lipoic acid (ALA) for convenient, one-tablet dosage. ALA may protect tissues from free radicals, enhance glucose transport and metabolism, support nerve tissue health (especially peripheral nerves), enhance the production of cellular energy (ATP), and support liver health and detoxification. ALA has broad antioxidant activity in both aqueous and fatty tissues. It not only scavenges free radicals, but also recycles other antioxidants—factors contributing to many of its benefits.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take one tablet daily or as directed by your healthcare practitioner.

STORAGE: Keep tightly closed in a cool, dry place.

Formulated to Exclude: Wheat, gluten, corn, soy, animal or dairy products, nuts, tree nuts, fish, crustacean shellfish, colors, artificial sweeteners, and preservatives.
