MRM Kids, the simple way to give your kids a healthy foundation to last a lifetime.

Bone growth is a crucial element in child development but it's sometimes difficult for kids to get the proper nutrients from foods alone. Our **Kids Cal-Mag-Zinc** contains many of the vitamins and minerals which are critical elements for certain key metabolic functions.\*\* Vitamin D3, vitamin K2 (MK-7), calcium, magnesium and zinc are important nutrients that support a healthy skeletal system including strong bones, joints, and teeth.\*\* Our **Kids Cal-Mag-Zinc** provides a vegetarian friendly formula that's milk and soy free for growing, active kids.\*\*

16 fl oz (480 ml)

Suggested Usage: Shake well before each use. For children age 4 and up, use 1 tablespoon (15 ml) per day or as directed by your qualified healthcare provider. MRM's Kids Cal-Mag-Zinc may be given directly or mixed with fruit juice, cereal, milk, yogurt or other food to increase your child's acceptance. Refrigerate after opening.
