Propolis is a natural substance produced by honey bees from resins – the gummy secretions of some trees and other plants. For millions of years, bees have coated the inner surface of their hives with propolis. This practice is believed to protect the hive from contamination. Source Naturals delivers an extract of natural bee propolis.\*

**Suggested Use:** 1 capsule 1 to 2 times daily.

**CAUTION:** Bee products may cause an allergic reaction in some people. Discontinue use if this occurs. If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

**Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.**
