Source Naturals **PHOSPHATIDYL CHOLINE** provides premium quality and potency. This product has been concentrated to contain 3 times the phosphatidyl choline found in ordinary lecithin. Phosphatidyl choline is a naturally occurring molecule that is composed of choline, phosphoric acid and hydrocarbons. It is one of several phosphorus-containing lipids that form the structural elements of all cell membranes in the body.\*

**Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.**

Contains no yeast, dairy, egg, gluten, corn or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
