

Trident SAP 66:33™ is a Omega-3 concentrate (sourced from fish oil) of exceptional purity, standardized to the highest concentration. Each softgel provides 990 mg of EPA and DHA in a 2:1 ratio. Omega-3 EPA and DHA support cardiovascular health by promoting healthy triglyceride levels; support joint tissue health by supporting a healthy inflammatory response; and support optimal cognitive health and brain function.* **Trident SAP 66:33™** is pharmaceutical grade, contains vitamin E as an antioxidant, and is hermetically sealed to be secure against entry of oxygen, ensuring maximum purity, freshness and stability of the oil through to expiration. Third-party test results guarantee **Trident SAP 66:33™** is free of heavy metals, PCBs, pesticides, volatile organics, and other impurities.

All ingredients listed for this product lot number have been tested by a third-party laboratory for identity, potency, and purity.

Directions for use: Adults: Take 1 softgel twice daily with meals or as directed by your healthcare practitioner.

Contains no: Gluten, soy, wheat, corn, eggs, dairy, yeast, citrus, preservatives, artificial flavor or color, starch, or sugar.

This product is non-GMO.

Store in a cool, dry place, away from heat and sunlight.

Do not use if seal is broken. Keep out of reach of children.

Color, size and smell may vary from one lot to another.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
