Ingredients: FMS Protein Blend: (Cross-flow Full Spectrum Whey Protein Concentrate [Providing Di-Tri-Oligo and Polypeptides which are the short and long chains of amino acids], Ultra Pure Hydrolyzed Protein Isolate, Micellar Casein), Oreo® Cookies (Enriched Flour [Wheat Flour, Niacin, Reduced Iron, Thiamin Mononitrate - Vitamin B1, Riboflavin - Vitamin B2, Folic Acid], High Oleic Canola Oil and/or Palm Oil and/or Canola Oil and/or Soybean Oil, Cocoa Processed With Alkali, High Fructose Corn Syrup, Cornstarch, Leavening [Baking Soda and/or Calcium Phospate], Salt, Soy Lecithin [an emulsifier], Vanillin - artificial flavor, Chocolate), Natural and Artificial Flavors, Maltodextrin, Xanthan Gum, Medium Chain Triglycerides (MCT's), Acesulfame Potassium and Sucralose.
Store in a cool, dry place.

Manufactured in an FDA Registered & GMP Certified facility.

DIRECTIONS: Add one (1) rounded scoop to 14-16 fluid ounces of cold water, milk or beverage of choice. Increase or decrease the amount of liquid to tailor flavor and consistency to your desired preference.

The Ultimate Flurry Hi-Protein Powder is designed to be used anytime thoughout the day including:

BEFORE AND AFTER EXERCISE: Makes an excellent pre and post workout shake by providing fast digesting protein for immediate muscle support plus containing the perfect blend of medium and slow digesting proteins for extended amino acid delivery and recovery.
NOTE: Best results when taken 30 minutes before and after exercise.

WITH MEALS: Use the Ultimate Flurry Hi-Protein Powder with your meals to increase desired protein quantity.

BETWEEN MEALS AND BEFORE BED: The Ultimate Flurry Hi-Protein Powders Sustained Release specialized protein blend FMS (Fast, Medium, Slow) keeps amino acid levels elevated between meals and throughout the night preventing the breakdown of muscle, so your body doesn't go into an undesirable catabolic state.*

ALLERGY INFORMATION: Contains Milk, Wheat and Soy Lecithin. Produced in a facility that manufactures products containing peanuts.
