Feel younger with clean, tasteless protein.

We believe that beauty is more than skin deep. It is a radiant glow that starts from within. Unlock your inner beauty with marine collagen, which may promote thicker hair, stronger nails, and brighter skin.*

This is why we start with sustainably sourced type I collagen and turn it into an odorless, tasteless, instantly dissolving protein powder that you can add to just about anything.

How to get started:

BEAUTY WATER: Dissolve 1 level scoop into 12oz warm water, then add ice, fresh fruit, and fresh herbs. **COFFEE & TEA:** Stir 1 level scoop into hot coffee or tea. **SMOOTHIES:** Add 1 scoop to your favorite smoothie recipe for a boost of clean protein.
