

SOURCE NATURALS®

DIETARY SUPPLEMENT

COENZYMATED™ B-1

COCARBOXYLASE

60 LOZENGES

Supplement Facts

Serving Size 1 Lozenge

	Amount Per Serving	%DV
Thiamin (from 23 mg cocarboxylase [Coenzymated™])	13 mg	1,083%

Other ingredients: sorbitol, mannitol, sodium citrate, natural peppermint flavor, and magnesium stearate.

In order for vitamins to be utilized by the body, they must first be converted into their active coenzyme forms. **COENZYMATED™ B-1** is ready to go to work immediately. This essential nutrient plays key roles in generating energy from carbohydrates, fats, and alcohol, and in the formation of neurotransmitters in the brain. Thiamin diphosphate (TDP), also called thiamin pyrophosphate (TPP) or cocarboxylase, is the active, coenzyme form of vitamin B-1.*

STORE IN A COOL, DRY PLACE.

Suggested Use: 1 lozenge daily. For best results, allow to dissolve in the mouth before swallowing.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
