

Suggested Usage: Take 1 capsule daily with or without food. Best when taken as directed by a qualified healthcare professional.

Our concentrated Bee Propolis 2X Extract undergoes extensive filtering and extraction processes in order to concentrate the naturally-occurring compounds found in raw bee propolis resin.

Warnings: Keep out of reach of children. Consult with a licensed physician, pharmacist, naturopath or other qualified healthcare professional prior to taking dietary supplements.

Note: Bee-derived products may cause an allergic reaction in some people.

Sealed for your protection. Do not use if seal is missing or broken. Best stored at controlled room temperature 20°C to 25°C (68°F to 77°F). Improper storage conditions, such as extended exposure to direct sunlight, high heat & humidity can cause product degradation over time.
