

Suggested Usage: This is a high potency Biotin product for those with higher Biotin needs and/or deficiency, as determined by a qualified healthcare professional. Consult with a qualified healthcare professional before using our Biotin. Healthy adults take one softgel daily with food. Do not exceed one softgel daily.

Warnings: Keep out of reach of children. Pregnant or lactating women, the chronically ill, elderly, individuals under the age of 18, those taking prescription medications (e.g., blood thinners) as well as those with a physician-diagnosed medical condition should consult with a physician, pharmacist, naturopath or other qualified healthcare professional prior to taking dietary supplements.

Sealed for your protection. Do not use if seal is missing or broken. Best stored at controlled room temperature 20°C to 25°C (68°F to 77°F).

Our TapiOgels™ Veggie Softgels are Manufactured in California, USA using domestic and internationally-sourced ingredients.
