

Suggested Usage: Take 1 scoop (approximately 1.19g*) mixed in water or the beverage of your choice. Best when taken as directed by a qualified healthcare professional.

Warnings: Keep out of reach of children. Consult with a licensed physician, pharmacist, naturopath or other qualified healthcare professional prior to taking dietary supplements.

Aroma, color, consistency and taste may vary. Color shift is normal and cannot be avoided.

This product is packaged and sold by weight, not by volume. Settling of contents occurs over time.

Sealed for your protection. Do not use if seal is missing or broken. Best stored at controlled room temperature 20°C to 25°C (68°F to 77°F). Improper storage conditions, such as extended exposure to direct sunlight, high heat & humidity can cause product degradation over time.

*1.19g per scoop is an average. Individual scooping technique may yield slightly less than or slightly more than 1.19g.
