Feel comfortable giving your little ones a gentle, low dose of Melatonin before bedtime to help them settle down for a peaceful night's rest.†

DIRECTIONS: For children 2 years of age and older, take one (1) vegan gummy 30 minutes before bedtime as Melatonin may produce drowsiness. For best results, allow your child to sleep for more than 6 hours. Take only as directed. Do not exceed recommended dosage. As a reminder, discuss the supplements and medications you take with your child's pediatrician.

WARNING: This product requires adult supervision and is not to be dispensed by children. Not recommended for children under 2 years of age due to choking hazard. Not intended for use by pregnant or nursing women. If you are taking any medications or have any medical condition, consult your doctor before use. If any adverse reactions occur, immediately stop using this product and consult your doctor. Do not drive, operate machinery or consume alcohol when taking this product. For occasional, short-term use only. If seal under cap is damaged or missing, do not use. Keep out of reach of children. Store in a cool, dry place. Avoid excessive heat.
