

**Suggested Usage:** Children 2-4 years: chew 3 softgels daily. Children 5-12 years: chew 3 softgels 1-2 times daily. Best when taken as directed by a qualified healthcare professional.

*Consult with your pediatrician prior to use, especially if your child is allergic to iodine, is using prescribed blood thinners or is scheduled for surgery.*

Every batch of California Gold Nutrition's Children's DHA is tested for contaminants (e.g., heavy metals [mercury], PCB's dioxins, and other impurities). Our fish oil is in the preferred triglyceride form and surpasses the strictest international standards for purity and freshness.

**Warnings:** Keep out of reach of children. Sealed for your protection. Do not use if seal is missing or broken. Refrigerate after opening.
