

Suggested Use:

- For infants 6 months to 1 year: 1/4 teaspoon daily.
- For children 1 to 4 years: 1/2 teaspoon daily.
- For children 5 to 12 years: 1 teaspoon daily.

Shake well before use. Best when mixed with your child's favorite beverage or pure water.

Warnings: Keep out of reach of children. Consult with a licensed physician, pharmacist, naturopath or other qualified healthcare professional prior to taking dietary supplements.

Sealed for your protection. Do not use if seal is missing or broken. Best stored at controlled room temperature 20°C to 25°C (68°F to 77°F). Improper storage conditions, such as extended exposure to direct sunlight, high heat & humidity, can cause product degradation over time.

NOTE: Slight color shift may occur over time. This is a normal occurrence and cannot be avoided.
