

CELLFOOD®

Contains one 1-ounce bottle and educational brochure

Supplement Facts

Serving Size: 8 drops
Servings Per Container: 90

Amount Per Serving	% DV
Cellfood® Proprietary Blend	300 mg **
Deionized Water, Deuterium Sulfate, Catalyst Altered Water (with Fossilized Organics), Calcified Seaweed (from Lithomamnium Calcareum), Grape Juice, Magnesium Sulfate	

**Percent Daily Values not established

Directions: Mix 8 drops in 8 oz. of purified water or juice, taken 3 times per day—or mix 1 day's amount in bottle, drink as desired during day, with or without meals. In case any mild detoxification symptoms result, reduce the dosage temporarily. No refrigeration is needed.

Caution: Keep out of the reach of children. Avoid eye contact; rinse well if it gets in eyes. If pregnant, nursing or if under medical care, consult a health professional.

Note: Pour with care. Before it's mixed with water or juice, Cellfood's beneficial enzymes can compromise countertops, clothing and surfaces. Store the Cellfood bottle on a tray.
