ACTIVATED QUERCETIN™ is a unique bioflavonoid derived from plant sources. In human cell culture studies, quercetin has been shown to inhibit histamine release. Additional research needs to be conducted to confirm the effects of quercetin, if any, in humans. Bromelain is a pineapple enzyme that may assist the body in times of stress, while vitamin C helps support the immune system.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no sugar, preservatives, or artificial color, flavor or fragrance.
