

Suggested Usage: Mix 1 scoop (5.16 grams*) daily in approximately 2 oz of room temperature water or juice. Add an additional 6-8 oz of room temperature water or juice and mix well (for best results, mix in a blender bottle). Drink on an empty stomach at least 1 hour before or 2 hours after meals, or as recommended by a healthcare professional.

Collagen is the primary structural protein found in joints, bones, skin, nails, and other connective tissues. It is responsible for maintaining the strength and elasticity/flexibility of these tissues found throughout the body.

Our CollagenUP® complex contains unique, enzymatically hydrolyzed, Marine Collagen Peptides with Hyaluronic Acid and Vitamin C. Our specially processed Marine Collagen is enzymatically hydrolyzed (broken down) into amino acid peptides in order to assist with absorption/bioavailability. Taken as a dietary supplement, this product provides the fundamental building blocks for support of healthy joints, bones, skin, hair & nails, providing the body with the nutrients needed to support the strength and integrity of our bodies.*

Aroma, color, consistency and taste may vary. Color shift is normal and cannot be avoided.

Keep out of reach of children. Sealed for your protection. Do not use if seal is missing or broken. Best stored at controlled room temperature 20°C to 25°C (68°F to 77°F). Improper storage conditions, such as extended exposure to direct sunlight, high heat & humidity can cause product degradation over time.

THIS PRODUCT IS PACKAGED AND SOLD BY WEIGHT, NOT BY VOLUME. SETTLING OF CONTENTS OCCURS OVER TIME.
