

Suggested Usage: Take 2 capsules daily, on an empty stomach, with 8 oz. of purified water. Best when taken as directed by a qualified healthcare professional.

Our concentrated, first-milking Colostrum is produced using a proprietary process and is standardized to provide naturally-occurring IgG and PRPs (Proline-Rich Polypeptides).

- 20%** IgG (Immunoglobulins G1 & G2)
- 15%** PRPs (Proline-Rich Polypeptides) – Considered to be Colostrum's most important fraction.

Our premium Colostrum is sourced year-round from USDA Grade A dairy cows raised in the United States. It is low-heat processed in a state of the art facility, allowing us to provide you with the highest quality Colostrum at an exceptional value.

- No rbST[®]
- Laboratory Confirmed Free of Antibiotics

Warnings: Keep out of reach of children. Pregnant or lactating women, the chronically ill, elderly, individuals under the age of 18, those taking prescription medications as well as those with a physician-diagnosed medical condition should consult with a physician, pharmacist, naturopath or other qualified healthcare professional prior to taking dietary supplements.

Aroma, color, consistency and taste may vary.

Sealed for your protection. Do not use if seal is missing or broken. Best stored at controlled room temperature 20°C to 25°C (68°F to 77°F). Improper storage conditions, such as extended exposure to direct sunlight, high heat & humidity can cause product degradation over time.

[®]No rbST (From cows not supplemented with rbST. No significant difference has been shown between milk derived from rbST-supplemented and non-rbST supplemented cows).
