

Chastetree+ SAP™ is used in herbal medicine to help relieve premenstrual symptoms;* as a hormone normalizer to help stabilize menstrual cycle irregularities;* and to help relieve symptoms associated with menopause, such as hot flashes.*

All ingredients listed for this product lot number have been tested by a third-party laboratory for identity, potency, and purity.

Directions for use: Adults: Take 1 capsule daily or as directed by your healthcare practitioner.

Duration of use: Use for a minimum of 3 months to see beneficial effects.

Contains no: Gluten, soy, wheat, corn protein, eggs, dairy, yeast, citrus, preservatives, artificial flavor or color, starch, or sugar.

Cautions and warnings: Consult a healthcare practitioner prior to use if you are pregnant or breast-feeding; if you are taking medications for diabetes, high blood pressure, or seizures; if you are taking hormone-containing medications such as progesterone preparations, oral contraceptives, or hormone replacement therapy. Consult a healthcare practitioner if symptoms persist or worsen.

Contraindications: Do not use if you are taking health products that affect blood coagulation (e.g. blood thinners, clotting factor replacements, acetylsalicylic acid, ibuprofen, fish oils, vitamin E), as this may increase the risk of spontaneous bleeding.

This product is non-GMO and vegan friendly.

Do not use if seal is broken. Keep out of reach of children.

Color, size and smell may vary from one lot to another.
