*Percent Daily Values (%DV) are based on a 2,000 calorie diet.
†Daily Value not established.

Other ingredients: stearic acid, modified cellulose gum, silica, and natural peppermint flavor.

Contains shellfish (shrimp, crab, and lobster).

HYALURONIC JOINT COMPLEX™ is a comprehensive formula that combines hyaluronic acid with glucosamine, chondroitin, MSM, and manganese ascorbate. These ingredients are important building blocks for healthy joints and connective tissues. Hyaluronic acid is a major component of joint tissue that helps to hold lubricating moisture in joints and cartilage. BioCell Collagen® is a patented product that has undergone a hydrolysis process to yield low molecular weight hyaluronic acid, chondroitin sulfate, and collagen type II. These components can help support healthy joint function.*

Suggested Use: 2 tablets twice daily.

WARNING: If you are pregnant, may become pregnant, lactating, or regularly taking any drug such as acetaminophen, warfarin (Coumadin®), or heparin, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of children's reach.

BioCell Collagen® is a registered trademark of Biocell Technology LLC, Anaheim, California USA.

OptiMSM® is a registered trademark of Bergstrom Nutrition, Inc.
