# CALCIUM + VITAMIN D

HELPS SUPPORT HEALTHY BONES & TEETH\*  
CALCIUM SUPPLEMENTATION MAY REDUCE  
THE RISK OF OSTEOPOROSIS  
BASED ON SCIENTIFIC EVIDENCE

250 TABLETS  
**BONE & MUSCLE HEALTH**  
DIETARY SUPPLEMENT

ULTIBOOST

**BENEFITS:** Swisse Ultiboost Calcium + Vitamin D is a premium quality formula to help support healthy bones and teeth\* and provide a source of calcium which, as part of a healthy diet, may reduce the risk of osteoporosis.

**Osteoporosis:** A diet deficient in calcium may contribute to osteoporosis in later life. When taken in combination with a healthy diet, calcium supplementation may reduce the risk of osteoporosis.

**Bone & Teeth Health:** Calcium and vitamin D are included to help maintain strong, healthy bones and teeth.\* The human skeleton consists of 206 bones that provide a framework for the body to help maintain shape, protect vital organs and provide a place for muscles to attach. Bones also function as a site for mineral storage and blood cell formation.

**Increased Absorption:** Formulated with naturally derived vitamin D3 to promote the absorption and delivery of calcium to the bone.\*

Calcium requirements may increase dependent on age, gender, diet, pregnancy, lactation and post-menopause. Swisse Ultiboost Calcium + Vitamin D has been formulated based on scientific evidence to provide two beneficial nutrients in a convenient dose.

## RECOMMENDED ADULT USE:

Two to three tablets daily, during or immediately after a meal, or as directed by a healthcare professional.

**WARNING:** If you are pregnant, nursing, taking any medication or have a medical condition please consult your Doctor before use. Keep out of reach of children. Store at room temperature. Do not use if inner seal is broken.

**WARNING:** Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.
